University of Bethlehem, Palestinian Territories

Monday, 29. May 2017	16-19pm	workshop session
Tuesday, 30. May 2017	tba	field visit
Wednesday, 31. May 2017	16-19pm	workshop session
Thursday, 1. June 2017	tba (morning)	field visit

### Location:

Campus Hubland Nord, 97074 Würzburg

Josef-Martin-Weg 52 (left), 2<sup>nd</sup> floor, room 52.02.109

Julius-Maximilians-  
**UNIVERSITÄT  
WÜRZBURG**

Institute of Education

Professorship for Adult and Continuing Education

This workshop aims to introduce participants, mainly novice researchers, on the use of focus group as a research tool. The workshop will cover the following topics:

- the differences between FG and group interviews,
- different views on using FG in research
- strategies for implementation
- Analysis methods

The workshop is based on interactive teaching methods which require students to play roles and share practices and thoughts.
