

ARRIVAL / TRAVEL PLANNING

Importantly, we'd like to **invite you to already come to Kloster Plankstetten on Sunday, October 19th**.

Please keep us updated about your travel planning. This will greatly enhance organizing smooth check in, and help us organize transfer to the conference site. **Please also note the included attendance lists.** We'd also like to inform you about some details, you may find helpful:

Arrival by airplane

The closest international airport is "Frankfurt am Main" (FRA). A price-worthy alternative might be "Frankfurt Hahn" (F-HHN), e.g. served by RyanAir.

Arrival by train

There are two recommendable alternatives:

One is to go to Würzburg (Central Station, i.e. "Hauptbahnhof" in German), and use our transfer offer to Kloster Plankstetten (see below).

The second option is to go directly to Kloster Plankstetten:

Railroad line Nürnberg - Regensburg (station Neumarkt Opf.). Bus no. 515 towards Dietfurt, stop Plankstetten Ost. 5 minutes walk to the monastery.

Railroad line München - Nürnberg (station Kinding). Bus No. 515 towards Neumarkt i. d. Opf., stop Plankstetten Ost. 5 minutes walk to the monastery.

We also try to arrange a shuttle service from Kinding or from Neumarkt to Kloster Plankstetten, if necessary.

For booking, we recommend <http://www.bahn.de/international/view/en/index.shtml>

Booking early may result in nice discounts.

Arrival by car

From Frankfurt:

- Leave the *Autobahn A 3* at exit *Parsberg*
- Go towards *Berching* via *Seubersdorf (B 299)*
- Then you arrive Kloster Plankstetten

From München:

- Leave the *Autobahn A 9* at exit *Greding*
- Go towards *Berching, Beilngries*
- Then you arrive Kloster Plankstetten.

Transfer from Würzburg to Kloster Plankstetten

On Sunday, October 19th, we'll offer at least three rides from Würzburg to Kloster Plankstetten. We'll try to adjust the departure times to your needs, so that nobody has to wait in Würzburg longer than necessary. Additionally, we'll organize individual rides (e.g. with one of the principal investigators) if needed.

TRAVEL DOCUMENTATION

Finally, we'd kindly ask you to keep your receipts, and travelling documents (e.g. boarding pass; for E-TIX, a printout of the invoice including the E-TIX number is sufficient). We'll have self-addressed envelopes ready for you, for sending any items to us, which you might need for your return trip. We're sorry to impose that burden on you. However, we're required by law to document these expenses with original records. Thanks for your understanding!
