The closest international airport is "Frankfurt am Main" (FRA).

A price-worthy alternative might be "Frankfurt Hahn" (F-HHN), e.g. served by RyanAir.

There are two recommendable alternatives:

Duration appr. 40 minutes.

There is a 15 min walk to Ruppertshüttener Str. 70, Hotel Franziskushöhe.

Transfer from Würzburg to Lohr

On Tuesday, October 9th, we'll offer at least some rides from Würzburg to Lohr. We'll try to adjust the departure times to your needs, so that nobody has to wait in Würzburg longer than necessary. Additionally, we'll organize individual rides (e.g. with one of the principal investigators) if needed.

TRAVEL DOCUMENTATION

Finally, we'd kindly ask you to keep your receipts, and travelling documents (e.g. boarding pass; for E-TIX, a printout of the invoice including the E-TIX number is sufficient). We'll have self-addressed envelopes ready for you, for sending any items to us, which you might need for your return trip. We're sorry to impose that burden on you. However, we're required by law to document these expenses with original records. Thanks for your understanding!
