ARRIVAL / TRAVEL PLANNING

Importantly, we'd like to **invite you to already come to Tagungsstätte Umweltbildungsstätte Oberelsbach, Auweg 1, 97656 Oberelsbach, on Thursday, October 06th.**

Please keep us updated about your travel planning. This will greatly enhance organizing smooth check in, and help us organize transfer to the conference site. **Please also note the included attendance lists.** We'd also like to inform you about some details, you may find helpful:

Arrival by airplane

The closest international airport is "Frankfurt am Main" (FRA). A price-worthy alternative might be "Frankfurt Hahn" (F-HHN), e.g. served by RyanAir.

Arrival by train

There are two recommendable alternatives:

One is to go to Würzburg (Central Station, i.e. "Hauptbahnhof" in German), and use our transfer offer to Oberelsbach.

The other way is to go directly to the station Gersfeld.

From there we try to arrange a shuttle service to Umweltbildungsstätte Oberelsbach or you take a taxi.

For booking, we recommend <http://www.bahn.de/international/view/en/index.shtml>

Booking early may result in nice discounts.

We'll try to adjust the departure time to your needs, so that nobody has to wait in Würzburg longer than necessary. Additionally, we'll organize individual rides (e.g. with one of the principal investigators) if needed.

TRAVEL DOCUMENTATION

Finally, we'd kindly ask you to keep your receipts, and travelling documents (e.g. boarding pass; for E-TIX, a printout of the invoice including the E-TIX number is sufficient). We'll have self-addressed envelopes ready for you, for sending any items to us, which you might need for your return trip. We're sorry to impose that burden on you. However, we're required by law to document these expenses with original records. Thanks for your understanding!
