**ERASMUS+ STRATEGIC PARTNERSHIP**

INTALL is a ERASMUS+ partnership of **eight European universities** and **two major European practice institutions** in the field of adult education and lifelong learning. It builds up a bridge between academic learning and practice in adult and continuing education.

**INTALL DEVELOPMENTS**

A learning programme for students & practitioners, incl. a Winter School. A **learning community** for university and practice teachers in adult and continuing education to collect international teaching/learning settings. A portfolio method to **strengthen employability** in adult education and lifelong learning. A **digital learning offer** for self-directed online learning.

**PARTICIPATION OF STUDENTS & PRACTITIONERS**

Master’s students, doctoral students and practitioners in adult education and lifelong learning are invited to join a two-week Winter School in Würzburg. In the first week, students learn about **International and European policies in adult education and lifelong learning**, deepening their knowledge about international theories or theoretical thinkers in adult education. In the second week, practitioners join the programme. Together, students and practitioners work on their science-related employability skills and conduct their own international comparative study.

**WINTER SCHOOL DATES**

4–15 February 2019, 3–14 February 2020 and 1–12 February 2021

**Blended learning methodology for students & practitioners (incl. portfolio & employability perspective)**

**WINTER SCHOOLS**

In November an **on-campus and online preparation** starts for students and practitioners. Students submit a **transnational essay** by mid-January. Practitioners prepare a **good practice**. All participants meet in February for a **two-week Winter School in Würzburg**.

**TARGET GROUP**

**Master’s and doctoral students** studying a subject related to adult education and/or lifelong learning. **Practitioners in Adult and Continuing Education** who have worked in adult education or lifelong learning for min. one year. **INTALL** focuses on individuals doing **educational work** on the **micro level** (teaching, guiding), **meso level** (management of adult education including tasks as needs analysis, educational programme development etc.) and **macro level** (advocacy on governmental level). **Researchers and university staff** with research focus on adult education and/or lifelong learning can also participate.

**PROFESSIONAL NETWORK**

INTALL offers a **professional network** that allows students and practitioners to stay in contact with each other and find the partners for their transnational work. URL: [www.linkedin.com/groups/8445381/](http://www.linkedin.com/groups/8445381/)

**FROM RESEARCH TO PUBLICATION**

Doctoral students can pursue their comparison commenced during the Winter School in an academic publication. By the end of the Winter School, groups will be formed to enable **continued work on the comparison**. Publications will be **supervised by international experts** on the selected topics. They will be **reviewed and published in an internationally edited volume**.
