

The Research Training Group 1253/1
"Processing of affective stimuli: from the molecular basis to the emotional experience"
is launching „Best Publication Awards“ in 2009 to its
scholarship holders.

The Principal Investigators of GK-Emotions agreed to grant

250 Euro

to

Alica DIELER

for her publication

Dieler AC, Sämann PG et al. (2008). Independent component analysis applied to pharmacological magnetic resonance imaging (phMRI): New insights into the functional networks underlying panic attacks as induced by CCK-4. Current Pharmaceutical Design, 14, 3492-3507.

The prices are earmarked for scientific purposes, enabling the young researchers to continue and further develop their research, e.g., by visiting conferences, or completing internships at relevant institutions.

Note: Outpayment of the award will depend on proper documentation of usage in accord with the intended purpose.
