

## ARRIVAL / TRAVEL PLANNING

The conference will **begin on Sunday, March 8, 2pm**, and **end on Wednesday, March 11, 2pm**.

Of course, previously made **individual arrangements**, regarding different arrival times **remain in effect**.

**Please keep us updated about your travel planning**. This will greatly enhance organizing smooth check in, and help us organize transfer to the conference site. **Please also note the included attendance lists**. We'd also like to inform you about some details, you may find helpful:

### Arrival by airplane

The closest international airport is "Frankfurt am Main" (FRA). A price-worthy alternative might be "Frankfurt Hahn" (F-HHN), e.g. served by RyanAir.

### Arrival by train

There are two recommendable alternatives:

One is to go to Würzburg (Central Station, i.e. "Hauptbahnhof" in German), and use our transfer offer to Kloster Bronnbach (see below).

The second option is to go directly to Bronnbach (German name of the train station: Bronnbach (Tauber)). However, this connection is a bit lengthy, and you most likely will have to switch trains, while Würzburg enjoys the advantage of ICE-train connections to all bigger cities.

For booking, we recommend <http://www.bahn.de/international/view/en/index.shtml>

Booking early may result in nice discounts.

### Arrival by car

From Würzburg:

- Start at the B 8 towards *Autobahn Frankfurt - Exit Helmstadt*
- Do not enter the *Autobahn*, but continue towards *Helmstadt*
- In *Helmstadt* turn left towards *Neubrunn*
- In *Neubrunn* turn left towards *Böttigheim/Tauberbischofsheim*
- Before entering the village *Höhenfeld* turn right towards *Bronnbach/Klosterhöhe*
- Watch out for the sign indicating *Bronnbach* half left at some kind of farm
- Just follow the signs until you come to *Bronnbach*

From Frankfurt:

- Leave the *Autobahn A 3* at exit *Marktheidenfeld*
- Go towards *Wertheim*, and follow through the *Liebliche Taubertal* towards *Tauberbischofsheim* until you arrive at *Bronnbach*.

From Stuttgart:

- Leave the *Autobahn A 81* at exit *Tauberbischofsheim* towards *Wertheim*
- At the village *Werbach* follow the *Liebliche Taubertal* until you arrive at *Bronnbach*.

### Transfer from Würzburg to Bronnbach

On Sunday, March 8, we'll offer at least three rides from Würzburg to Bronnbach. We'll try to adjust the departure times to your needs, so that nobody has to wait in Würzburg longer than necessary. Additionally, we'll organize individual rides (e.g. with one of the principal investigators) if needed.

## TRAVEL DOCUMENTATION

Finally, we'd kindly ask you to keep your receipts, and travelling documents (e.g. boarding pass; for E-TIX, a printout of the invoice including the E-TIX number is sufficient). We'll have self-addressed envelopes ready for you, for sending any items to us, which you might need for your return trip. We're sorry to impose that burden on you. However, we're required by law to document these expenses with original records. Thanks for your understanding!
