ARRIVAL / TRAVEL PLANNING

Importantly, we'd like to **invite you to already come to AWO Akademie in Marktbreit on Thursday to Saturday, October 08th to 10th 2015.**

Please keep us updated about your travel planning. This will greatly enhance organizing smooth check in, and help us organize transfer to the conference site. **Please also note the included attendance lists.** We'd also like to inform you about some details, you may find helpful:

Arrival by airplane

The closest international airport is "Frankfurt am Main" (FRA).

A price-worthy alternative might be "Frankfurt Hahn" (F-HHN), e.g. served by RyanAir.

Arrival by train

There are two recommendable alternatives:

One is to go to Würzburg (Central Station, i.e. "Hauptbahnhof" in German), and use our transfer offer to Marktbreit (see below).

The second option is to go directly to Marktbreit:

Railroad line Würzburg – Marktbreit: Train almost every hour, duration appr. 20 minutes.

There is a 10 min walk to Ochsenfurter Str. 29 – direction river

We also arrange a shuttle service from the station to AWO Akademie, if necessary.

For booking, we recommend <http://www.bahn.de/international/view/en/index.shtml>

Booking early may result in nice discounts.

Arrival by car

- *Autobahn A 3 (direction Würzburg)*
- *Autobahn A 7 (direction Ulm/Rothenburg)*
- *Leave A 7 at exit 104 Marktbreit/Ochsenfurt – direction Marktbreit/Ochsenfurt*

Transfer from Würzburg to Marktbreit

On Thursday, October 08th, we'll try to offer at least some rides from Würzburg to Marktbreit. We'll try to adjust the departure times to your needs, so that nobody has to wait in Würzburg longer than necessary. Additionally, we'll organize individual rides (e.g. with one of the principal investigators) if needed.

TRAVEL DOCUMENTATION

Finally, we'd kindly ask you to keep your receipts, and travelling documents (e.g. boarding pass; for E-TIX, a printout of the invoice including the E-TIX number is sufficient). We'll have self-addressed envelopes ready for you, for sending any items to us, which you might need for your return trip. We're sorry to impose that burden on you. However, we're required by law to document these expenses with original records. Thanks for your understanding!
