

How to work on:

Adult Educators: Professionalisation, Professional Roles, Identities, and Communities

Choose an "Instruction for comparison at home"

1/2 HOUR

The instruction for comparison at home gives you examples of what you can compare. You may just pick something that sparks your interest or a topic you already know some things about.

Read the materials on the topic

6-8 HOURS

To work on your chosen topic, you can start with the materials we selected for you. Everything is online and open access! Also, have a look at the information tool below for further materials.

Take a quiz and team up online

10 MINUTES

Sign up for the digital learning platform Open Wue Campus to test your new knowledge in a quiz or team up with other students or researchers in a forum there.

Gather data and start comparing

5-10 HOURS

Gather data according to your instruction for comparison at home to begin your comparative analysis.
